Thanks Steve. I think this is an interesting approach and may provide the flexibility that folks are seeking. It is creative.

Ex. 5 Deliberative Process (DP)

Happy to kick this around some more, but I think you are aiming in the right direction.

Thanks!

Dave - At Matt's request WLO has worked to develop an approach to help address

Ex. 5 AC/DP

We developed the attached paper and briefed Matt last week and he thought it was a promising approach so asked us to share it with you.

I am on leave next week **Ex. 6 Personal Privacy (PP)** so if you have any question or would like to discuss you can reach out to Carrie Wehling.

John – sharing with you all per our conversation on Friday. We discussed this approach with Phil in the region but have not shared the paper as of yet. I suggest outreach to them be coordinated between OW and OGC.
